# RABBI'S COLUMN:

*Rabbi Peggy Berman deProphetis*

During the run-up to the High Holy Days, many rabbis struggle with the messages they would like to share with their congregants. We would all like to deliver messages of hope. This year has been particularly difficult for me and perhaps for other rabbis too. I realized this morning, it's because of the news—mostly bad.

Late last night I returned from Santa Fe, New Mexico. Not once did I read a newspaper or watch the TV news. When I woke up this morning my first impulse was to go downstairs, pick up my New York Times and my Wall Street Journal, make coffee, and perhaps watch Morning Joe.

But suddenly I realized, I did not want to hear their messages at least today. Because I felt good. I felt positive. In Santa Fe while I did not read or hear the news I experienced people, friendly people, civilized people who greeted you and who went out of their way to be helpful as well. When I struggled every day to park my large rental SUV in the hotel's narrow spaces, the concierge came out to direct and congratulated me on being a master of the "truck." I hated the car but he gave me encouragement that I could deal with it. It helped my spirits. The morning of our departure I went out for a last walk around town and—I tripped and fell, landing on my hands and knees. A car stopped at the corner with an elderly couple from Arkansas. From the passenger seat of her large SUV she calmly provided paper towels to clean, antiseptic wipes to disinfect, and finally bandaids to cover the scrapes. These are only a few examples of the many kindnesses of strangers that I experienced in Santa Fe..

So why would I want to read about shootings in Philadelphia, floods in Texas, wars in other parts of the world on the morning of my return? The answer is obvious—I don't. But that's our reality now. And somehow, out of this mess, we need hope.

My hope for us at Beth Sholom is that we will all be able to move into the coming year fortified with positive intentions, confidence, and the determination to improve the world in which we now find ourselves.

Looking forward to seeing you in shul and on the High Holy Days.

*Rabbi Peggy*

# PRESIDENT'S MESSAGE

*By Caroline B. Schwartz*

Life is short

There is only one constraint- namely, that however much of anything else we have, we have only one life, and it is short. How we live and what we live for are the most fateful decisions we ever make.

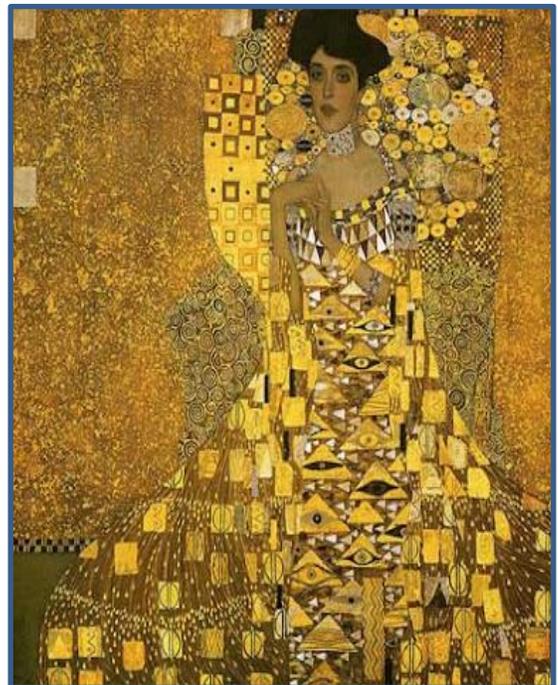

**Rabbi Jonathan Sacks z"l**

Rosh Hashanah and Yom Kippur is a time for New Beginnings: Whatever one has done in the past, one can do better in the future. This year, as Rosh Hashanah bears down on us, we need to rise with new awakenings to the wonders and beauty around us and proceed with joy rather than helplessness or hate.

Join me to make a new way in the new year. Shed all regrets and plow forward into untried and new avenues through life's marvelous and surprising fields of faith and well- being.

I have been using my resting time lately to view some very good movies made about the Holocaust. In August we had lunch and a movie at the Flaxmans and viewed "The Woman in Gold." Fascinating historical events to restore to the rightful ownership of art stolen by the Nazis during World War !!.

Then recommended to me by Ellie Ayervais, I also viewed "The Pianist". Not an easy watch, but a compelling story of one man's survival. Also I want to recommend "The Monuments Men" which I hope we can view in the coming months at another 'meal and movie' social. This story has a tie to downstate Delaware!

We are due for a **membership drive social event during the holidays**, hopefully during Sukkot. Might I suggest we have an ice-cream social? Gather your Jewish friends' names and contact

information to receive a special mailed invitation as well as to invite them to join us for the High Holy Day services. And insist they come to the **ice-cream social during Sukkot tentatively October 16**. More info coming. (Help needed.)

This High Holy Days time of the year is significant too for raising more funds guaranteeing the continuation of our financial well-being. You will notice in this bulletin the forms for appeals for both the **Living Scroll and the Yiskor Scroll**. Both of these appeals raise significant money. Please consider most generously your donations to each. Information for these two fundraising events will also be sent out by postal service with return envelopes. We try to make it easy for you to give!

I will of course be giving my last **State of the Synagogue speech at Kol Nidre** erev Yom Kippur. You do not want to miss it!

There are so many people involved in your synagogue management and well-being. Please take note of who these volunteers are and in what capacity they are working on your behalf. Consider too how you can do something to share your energies and assume a small part of our Jewish family events.

Nothing is worse than not having enough leadership or helpers. We need you-- without any excuses that you don't know how or can't! Think of contributing and participating in at least one small part. (Serving and eating ice cream at the social would be easy!)

How the Jewish 'race' has survived for thousands of years lies in the foundations of our history and the people who had and continue to have the willingness and ability to make a difference. People committed to survival, many without special calling but with just inner fortitude and drive. So don't say you can't!

We have received a lovely **invitation to join Seaside Jewish Center in Rehoboth for Saturday morning Shabbat services on September 10 at 10:00 am** in thanks for their using our Torah that is on loan. Several of our members have volunteered to leyn Torah. Afterwards we are included to stay for lunch. Please let the office know if you wish to attend and perhaps carpool with those attending. Rabbi Peggy will also be attending.

We are scheduling the **Fall Congregation Meeting at 6:00 pm September 19** to approve the upcoming 2022-2023 budget and give an overview of business financials and FEMA grant progress at the shul. Following this meeting, the regular **September Board meeting will take**

**place at 6:30 pm.** Please remember to attend. We have not decided if it will be hybrid and/or only in person.

**Choir will be starting again soon on September 13.** If you like to sing, enjoy companionship of like-minded individuals, and can spare an hour, we would love for you to join us each **Tuesday evening at 6:00 pm. (Except for Sept. 13 & 20, 6:30 pm for both these days.)** Choir is an integral part of our lives as music plays such an important role in our worship and culture. Please come prepared to join in and sing. Hebrew and music reading is not required. We sing mostly in transliteration and English. Come sing a new song!

Plans for **breaking the fast** after Yom Kippur have yet to be discussed. If you have any ideas and would like to work this out, please call me. As we are still in a state of flux with in-person vs zoom attendance, we don't have any definitive solutions to whether or not to provide food and allow gathering after the service. More and more people are venturing to the synagogue to join in person at services, but many are still not comfortable and rely on Zoom.

We really don't know where we are going with Covid—for safety's sake! Who does?

L'Shana Tovah Everyone. Wishing you all a Very Happy and Healthy New Year.

*Caroline B. Schwartz, President*

## TREASURER'S MESSAGE

The 2022-23 Membership commitment forms will be sent out at Rosh Hashanah. There is a return envelope included to send your forms back.

The High Holy Days appeal Kol Nidre Pledge cards will be on the table at the Kol Nidre service. If you are not able to attend in person, we will mail it to you. Please support this important fundraiser for the synagogue.

Continue to bring your Redner's receipts into the synagogue. There is a basket at the window in the office. We receive a percentage of the total amount of purchases. Remember we need the entire receipt, don't tear any section off. *Only by using your Redner's membership card* will it register the save-a-tape amount. If not, then your receipt and all your efforts are invalid for this program. This has been a terrific fundraiser for the Congregation.

If there are any concerns or questions, please contact me.

*L'Shanah Tovah, Stu Handler*

Dear Congregants and Friends,

The High Holy Days are right around the corner. Our annual tradition of preparing the Living Scroll is now starting. We need your New Year wishes now for your loved ones to be included in the scroll which is presented and read at Rosh Hashanah services. The Living Scroll will then be placed in the Ark for the coming year. This project began many years ago by Pearl Spector, a long-time congregant, and in her memory, we would like to continue this tradition.

If you would like your family's name and the members of your family inscribed in the Living Scroll, please complete the attached form and return it to Congregation Beth Sholom office by **September 13** so that I have plenty of time to prepare the scroll.

As a clarification, this donation is for the Living Scroll 5783/2022 pertaining to you and your family members that are living; a separate solicitation for the Yizkor Scroll that pertains to the people who have passed away will be sent soon. If you have any questions, please don't hesitate to contact me at [ckonowitz@aol.com](mailto:ckonowitz@aol.com) or 302-745-1316.

The suggested donation for each single name is \$36.00 per single name listing. For each family listing, we suggest a donation \$54.00 per family listing. For an unlimited number of family and friends listing, we leave it to you to decide the size of your donation (preferably in excess of the suggested donation amounts). Please remember this is **fundraiser** and make your checks payable to:

May you not only be inscribed in the great book of life, but may you also choose to generously support this annual tradition. L'Shana Tova!

## **2022–2023 YIZKOR SCROLL 5783**

"Yizkor" each Yom Kippur is a magical moment which turns back our attention to our loved ones who have left this life. When we atone for our sins, we hope to reflect credit in God's sight on our parents and other family members no longer with us, and how they influenced us to become *menschen*. Now that they have passed from this life, that may be as much as what we can still hope to do for them. And so that makes for a natural connection between Yom Kippur and Yizkor, to remember our loved ones who have passed on. We remember them with great affection; and we welcome the Yizkor as our uniquely Jewish way to pray for their souls and to preserve our ties with them. Our custom at Beth Sholom is to publish the names of our departed loved ones on a special Yizkor Memorial Scroll which will be read aloud to the Congregation during the Yizkor service, so that others too will recall them.

After those names of your departed loved ones will be read aloud during the Yom Kippur service, the Yizkor Memorial Scroll containing their names will be placed ceremonially in the Holy Ark with the Torah Scrolls where it will remain for the entire year, until the following Yom Kippur.

Please complete and return the form below and send it to the Synagogue office, 340 N. Queen St., Dover, Delaware 19904, OR EMAIL TO [office@cbsdover.com](mailto:office@cbsdover.com) to arrive not later than **FRIDAY, SEPTEMBER 23, 2022** together with your donation.

*Thank you. Steven Schwartz*
